

# Health4Me App

The UnitedHealthcare® Health4Me® App makes the online pharmacy experience as simple as possible. You can easily:

- Search drug prices at multiple pharmacies
- Locate a network pharmacy
- Manage medication reminders
- Access your ID card if your plan allows

## Manage OptumRx® home delivery orders

- Transfer a prescription to home delivery
- Track your home delivery order
- Refill a home delivery prescription

**Download the Health4Me App now**  
from the Apple® App Store or Google Play™.

# The Health4Me App: the most convenient way to manage your prescriptions.

## Simple

Refill a medication or transfer a retail prescription to home delivery.

## Current

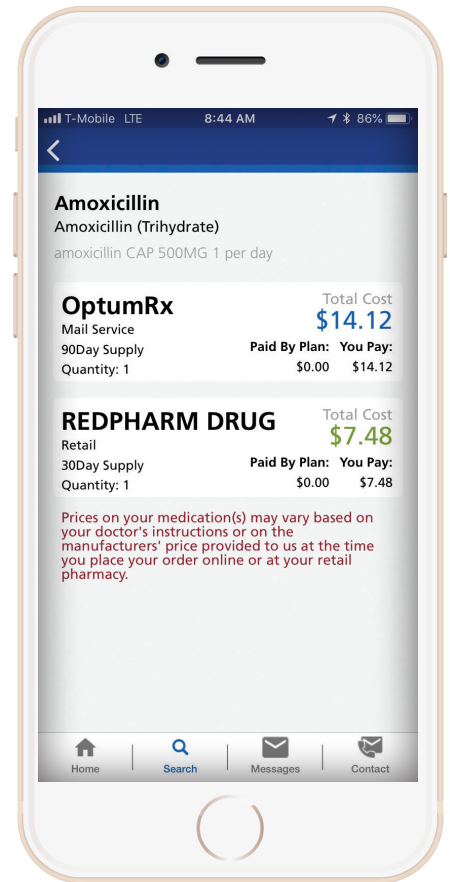

The Health4Me App gives you quick access to your plan's most current drug coverage information.

## Personalized

Access a complete profile of your prescriptions when you view My Medicine Cabinet. You can see all your recent and past prescriptions.

## Save time and money

Compare prescription drug options and identify potential cost savings.
