

Finding a Dentist for PPO Plans

The instructions to finding a Dentist with our prepaid plan are listed below.

1. In order to find a Dentist for a prepaid policy, you will go to our website,
https://www.assurantemployeebenefits.com/816/aebcom/xhtml_clip/formembers/DentistSearch.html
2. The Select the State under the DHMO or Prepaid Dental Plan?

PPO Plan?

Select your PPO Network from the list below. If you are unsure of your network name, please log in above for the most accurate results.

Network

If your dental ID card lists DHA® or DHA® Premier, please select Assurant® Dental Network.

3. Then Select Type in the Zip code and distance in miles you want to choose your Dentist from within. (You may also check to see if a current dentist is part of our network in the section to the right but it is helpful to know their Facility ID.)

Your Plan and Network: Assurant® Dental Network

Search for the closest dentist

Enter your Zip Code OR City and State OR complete address.

Zip Code

Address

City State

County
