

Plan Effective Dates

July 1, 2022 – June 30, 2023.

Benefits Provided

Your Health Reimbursement Arrangement (HRA) is a benefit account established and funded by Notre Dame de Namur University. Your HRA will reimburse you for services subject to your Kaiser HMO group medical plan deductible.

Excluded Services

Your HRA plan excludes coverage for any services not covered by the existing Kaiser group medical plan and that do not satisfy the Kaiser plan deductible. Prescription expenses, coinsurance (except for Durable Medical Equipment) and copayments are not eligible for reimbursement by your HRA plan. Dental services are not a covered benefit of your HRA plan. While your Kaiser medical plan covers routine eye exams with a Kaiser plan optometrist at no cost, additional vision benefits, such as frames, contact lenses, contact lens fittings, and other optical services are not a covered benefit of your HRA plan.

Maximum Annual HRA Benefit

Employee Only	\$2,000
One Member of a Family	\$2,000
Entire Family Combined	\$4,000

Your HRA Funding takes place on January 1 and is aligned with your Kaiser HMO group medical plan's deductible accrual.

Marin Benefits Debit Card

You will receive a benefit debit card linked to your HRA. You may use this card to pay for qualified Kaiser HMO group medical plan deductible expenses incurred by you or your eligible dependents.

Please note the following for your benefit card:

- Your benefit card will arrive preloaded and preactivated.
- Your benefit card may be used to pay deductible expenses at a Kaiser facility, online, over the phone or via postal mail.
- Your benefit card does not have a PIN number and should be used just like a credit card. Select the credit option to sign your purchase receipt at the sales terminal. If you are prompted for a billing zipcode please provide your home zipcode.
- Always save your receipts as Marin Benefits may contact you to substantiate debit card charges.
- Attempts to use your benefit card for ineligible expenses may result in your account being frozen and deactivated.
