

# More Provider Choices from VSP

While more than 90% of our members choose a VSP® Preferred Provider to maximize their benefit, we understand choice is important. That's why we offer the following provider options to meet the needs of our clients and members.

## VSP Preferred Providers

Members receive enhanced benefits with VSP Preferred Providers—full-service locations that provide thorough eye exams and a wide selection of quality eyewear. Additional benefits include:

- value-added savings and discounts on lens options, contact lens services, and sunglasses;
- integrated medical management with our Eye Health Management Program®;
- guaranteed member satisfaction;
- 24-hour access to emergency care.

## Retail Chain Affiliate Providers

Our retail chain affiliate providers give your employees added convenience and additional retail locations.

- Retail chain affiliate providers include Costco Optical, Eye Care Centers of America Inc.,™/Visionworks—their stores include EyeMasters and Hour Eyes, and Wisconsin Vision and Heartland Vision. Together, these retailers offer more than 1,000 optical stores across the country.

At a retail chain affiliate provider:

- Members can enjoy a covered-in-full benefit experience with equivalent benefits with any of these retail chain affiliate providers.
- Secure, HIPAA-compliant systems confirm eligibility and bill VSP directly on behalf of your employees.
- No forms are required—your employees only pay copays, costs over coverage amounts, and/or for noncovered options.
- Eye Health Management Program data can be reported by providers to VSP.

## Other Providers

Your employees always have the freedom to choose any other provider.

- Our plan includes a generous reimbursement schedule for services obtained from other providers, including national or local chains.
- All providers can contact VSP directly to check eligibility and submit claims on your employees' behalf.
- VSP has a national arrangement with Walmart that makes it simple for your employees to use their VSP benefits at Walmart and Sam's Club locations.
