** Only certain Prescription Drug Products are available through mail order; please visit myuhc.com® or call Customer Care at the telephone number on the back of your ID card for more information. You will be charged a retail Copayment and/or Coinsurance for 31 days or 2 times for 60 days based on the number of days supply dispensed for any Prescription Order or Refills sent to the mail order pharmacy. To maximize your Benefit, ask your Physician to write your Prescription Order or Refill for a 90-day supply, with refills when appropriate, rather than a 30-day supply with three refills.

For Specialty Drugs from a Non-Preferred Pharmacy, you will be required to pay 2 times the Preferred Specialty Network Pharmacy Co-payment and/or 2 times the Preferred Specialty Network Pharmacy Co-insurance (up to 50% of the Prescription Drug Charge) based on the applicable Tier.

Your Copayment and/or Coinsurance is determined by the tier to which the Prescription Drug List (PDL) Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier 1, Tier 2, Tier 3 or Tier 4.

If you are a member, you can find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging into your account on myuhc.com® or calling the Customer Care number on your ID card. If you are not a member, you can view prescription information at welcometouhc.com > Benefits > Pharmacy Benefits.

Here's an example of how the plan's costs come into play.

1 At the start of your plan year...

You're responsible for paying 100% of your covered health services until you reach your **deductible**, which is the amount you pay before your health plan pays a portion.

YOU PAY 100%

2 Once you reach your deductible...

Your health plan starts to share a percentage of costs (the allowed amounts, excluding copays) for covered health care services with you—this is your **coinsurance**.*

YOU PAY 20%*

YOUR PLAN PAYS 80%

3 When you reach your out-of-pocket limit...

Your plan covers your costs (the allowed amount) at 100%. Your **out-of-pocket limit** is the most you'll pay for covered health services in a plan year—copays and coinsurance count toward this.

YOUR PLAN PAYS 100%

Along the way, you may also be required to pay a fixed amount (for example, \$15)—or **copay**—for covered health care services, such as seeing a provider or purchasing a prescription. You pay 100% of the copay, usually when you receive the service.

* Your coinsurance may vary by service. This example is for illustrative purposes only.

Outpatient Prescription Drug Benefits

For Prescription Drug Products dispensed at a retail Network Pharmacy, you are responsible for paying the lowest of the following: 1) The applicable Copayment and/or Coinsurance; 2) The Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product; and 3) The Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the following: 1) The applicable Copayment and/or Coinsurance; and 2) The Prescription Drug Charge for that Prescription Drug Product. For an out-of-Network Pharmacy, your reimbursement is based on the Out-of-Network Reimbursement Rate, and you are responsible for the difference between the Out-of-Network Reimbursement Rate and the out-of-Network Pharmacy's Usual and Customary Charge.

See the Copayment and/or Coinsurance stated in the Benefit Information table for amounts. We will not reimburse you for any non-covered drug product.

For a single Copayment and/or Coinsurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Rider are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at myuhc.com or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you will be subject to the Out-of-Network Benefit for that Prescription Drug Product.

Certain Preventative Care Medications may be covered at zero costshare. You can get more information by contacting us at myuhc.com or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at myuhc.com or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.
